# **1. Introduction**

This manual was created to guide you on how to make the most of all the features available on our portal. Here, you will find detailed information on how to navigate, interact, and utilize the various tools and resources we offer.

# 1.1. Context

Digital health is currently a critical and essential service for the healthcare system in Portugal, enabling increased efficiency and effectiveness in utilizing the available means and resources.

The InovarSaúde Portal is a dedicated space for health and the digital revolution, exploring the latest trends and technological advancements that are transforming how we care for our health. This portal dives into a world where innovation and technology come together to provide more efficient, accessible, and personalized healthcare.

Our goal is to foster the generation of innovative ideas to improve public health services provided to users of the National Health Service (SNS), with an emphasis on digital health services.

Our main advantage lies in being a single channel that facilitates both the submission of data requests and the sharing of ideas focused on digital health services. We believe that data generates ideas, and ideas generate data, with both themes interconnected and aligned with our objectives.

#### Welcome to the Future of Healthcare and the Era of Digital Health!

**Note:** This document was designed with right-handed users in mind. Please consider reversing mouse buttons for left-handed users.

# 2. Information about the InovarSaúde Portal

To access the portal, you will need:

- Access to electronic devices such as a computer, mobile phone, or tablet;
- An internet connection;
- Visit the link: <u>https://www.inovarsaude.min-saude.pt</u>.

# 2.1. Top of the Page

Throughout your navigation on the InovarSaúde Portal, the top of the pages you access will display the icons arranged as follows:

#### Figure 1 - Top of the Page

#### 2.1.1. Language

- When the portal is set to Portuguese, click the English flag with the left mouse button to change the language to English.

When the portal is set to English, click the Portuguese flag with the left mouse button to change the language to Portuguese.

### 2.1.2. Help

• HELP - By clicking on this icon, you will access the FAQs (Frequently Asked Questions) section of the Portal. To view this information, click the "Help" icon with the left mouse button. For more details about the FAQs page, refer to point "**2.2.2.1.**".

## 2.1.3. Navigation Bar

On the navigation bar, shown in **Figure 3**, you can access the main pages of the InovarSaúde Portal, including:

- Home Page, by clicking on it ( InovarSaúde point"3.1.");
- InovarSaúde Portal (point "3.2.");
- Ideas Sharing (point "3.3.");
- Contests (point "3.4.");
- Data Requests (point "3.5.");
- Publications (point "3.6.").

## 2.2. Footer

Throughout your navigation on the InovarSaúde Portal, the footer of the pages you access will display the icons arranged as follows:

#### 2.2.1. Subscribe to Newsletter

- On this button, you can subscribe to receive all the latest updates from the InovarSaúde Portal. To subscribe, you should:

- Click the "Subscribe" button with the left mouse button (see *Figure 4*);
- On the displayed screen (see *Figure 5*), fill in your "First Name and Last Name" (1) and "Email" (2);
- Agree to the Privacy Policy (3);
- Check the information you have entered;
- Click the "Subscribe" button (4) with the left mouse button;
- The message in *Figure 6* will appear on your screen, and an email will be sent to the address provided in the field identified by number 2.

Figure 4 - Newsletter Subscription Screen

Welcome! The InovarSaúde portal team thanks you for subscribing!	
Best regards, The InovarSaúde team	

Figure 5 - Newsletter Subscription Confirmation

**Note:** If you wish to cancel your subscription, you should send a message through the contact form, as described in point "**2.2.2.2**."

#### **2.2.2. Support**

**Support** - In this area, you can consult the support information for the Portal, including:

- Frequently Asked Questions (FAQs) (point "2.2.2.1.");
- Contact Page (point "2.2.2.2.").

#### 2.2.2.1. Frequently Asked Questions (FAQs)

FAQs – On this link, you can access the Frequently Asked Questions (FAQs) page of the Portal. To view the page, click the "Frequently Asked Questions" icon with the left mouse button. The questions are divided into 4 categories:

- InovarSaúde Portal;
- Ideias Sharing;
- Ideias Contest;
- Data Requests.

**Note 1:** To view the answer to a frequently asked question, click the "+" icon (1), and to hide the answer, click the "-" icon (2).

**Note 2:** If your question is not listed in the FAQs, you should submit a contact message (3), as described in point "2.2.2.2."

	FREQUENTLY ASKED QUESTIONS AND ANSWERS
Wi	le aim to make your experience on the portal as pleasant as possible. If you have any questions about applications, contests, awards, or any other sues related to our portal, we are ready to assist you. Please contact us through the channels indicated on this page.

### 2.2.3. Official Entities

You can access the respective official entity portals by clicking on each logo with the left mouse button.

### 2.2.4. Follow Us

**Follow Us** - In this area, you can access the official social media channels by clicking on the icons with the left mouse button.

#### 2.2.5. Policies

Privacy Policy Cookies Policy – In these links, you can view the respective privacy and cookies policies of the InovarSaúde Portal. To access the desired information, click on the respective policy with the left mouse button.

![](_page_11_Picture_1.jpeg)

**Note:** To see more information about privacy or cookies, refer to points "**2.2.5.1**." or "**2.2.5.2**.", respectively.

#### 2.2.5.1. Privacy Policy

In addition to viewing the privacy information, you can submit a contact message (1), as described in point "**2.2.2.2**.".

#### lome / Privacy Policy

#### PRIVACY POLICY

#### 1. Introduction

a. This page reflects InovarSaúde Portal's Privacy Policy.

b. The InovarSaúde portal is a centralized space dedicated to health and digital revolution, exploring the latest trends and technological advances that are transforming how we manage our health.

c. It aims to be a unique chanel for data submission and sharing of innovative ideas among researchers, healthcare professionals, and higher education students, with the goal of improving public health services provided to users of the National Health Service (NHS).

d. The Portal was developed and is maintained by SPMS, E.P.E. – Shared Services of the Ministry of Health, which is committed to promote best practices in security, privacy, and protection of users' personal data, adopting various technical and organizational measures to ensure that the information reflects an adequate level of security appropriate to the facing risk.

e. Through this page, SPMS, E.P.E. informs you, as a user and data subject, of the privacy policy of the InovarSaúde Portal, aimed at informing you of your rights and clarifying how your personal data is processed within the portal, in compliance with Articles 13 and 14 of the General Data Protection Regulation (GDPR).

f. Using the services provided by the inovarSaúde portal, as well as filling out any forms available therein, and providing data, whether directly or indirectly, implies knowledge of the information defined in this policy.

#### 2. Controller of Personal Data

a. SPMS, EPE. – Shared Services of the Ministry of Health, is the entity responsible for the processing of your personal data within the scope of the InovarSaüde portal, located at Avenida da República, 61, 1050-189 Lisbon and Rua do Breiner, 121, 4050-124 Porto, telephone (+351) 211 545 600.

#### 3. Data Protection Officer

a. SPMS, E.P.E. has appointed and notified the Portuguese Data Protection Authority (CNPD) of a Data Protection Officer.

b. The Data Protection Officer of SPMS, EP.E. can be contacted by any data subject regarding all matters related to personal data processing and the exercise of rights conferred by applicable law, via the following email address: dpo@spms.min-saude.pt.

 Without prejudice to complaints submitted to the Data Protection Officer, data subjects may also lodge complaints with the CNPD – Portuguese Data Protection Authority.

#### 4. Information on Legal Concepts

#### What are personal data?

a. Under applicable law, "personal data" means any information relating to an identified or identifiable natural person ("data subject"). An identifiable person is one who can be identified, directly or indirectly, in particular by reference to an identifier. Examples of identifiers include a name,

c. In SPMS, EP.E's Cookie Policy, you can obtain various information, including which cookies are used, their categories, how you can manage them in your browser, the duration of cookies, and whether they are accessible by third parties.
d. SPMS, EP.E's Cookie Policy is always available and accessible here.

#### 13. Hyperlinks and Social Media

a. SPMS, EP.E. may provide hyperlinks to other websites of interest or partners, without assuming responsibility for the privacy policy, cookie policy, or terms of use of these sites, which are entirely the responsibility of those entities. Users are recommended to read them beforehand.

b. When accessing other websites through the provided hyperlinks, the entities responsible for those websites may collect personal information concerning you as a user, which will be processed for their own purposes.

a. When you choose to follow SPMS, E.P.E. on social media, interact, or access the inovarSaúde portal through these platforms, your personal data may se processed by the social media managers or the functionalities provided, according to their respective privacy policies, which we recommend eading.

#### 14. International Transfers of Personal Data

a. The data of the data subject will, in principle, be processed within the European Economic Area, and we choose, if necessary and preferably, providers located within this geography.

b. Should SPMS, E.P.E. transfer personal data to third countries or international organizations outside the European Economic Area, it will strictly comply with applicable legal provisions, refraining from making international transfers of personal data to entities that do not provide guarantees for maintaining the level of protection required by the GDPR without the appropriate legal stepguards.

#### 15. Data Communication

a. In the scope of the services provided by SPMS, EPE, data communication is a requirement to send you communications. The lack of this information naturally constitutes an obstacle to such sending, being the only resulting consequence.

#### 16. Competent Forum

a. For the resolution of any disputes arising from the interpretation or application of this privacy policy, the parties agree that the competent forum, expressly waiving any other, shall be the Court of Lisbon.

#### 7. Update and Versio

a. This Privacy Policy may be revised and updated at any time, with such changes being duly advertised by SPMS, EPE, on the InovarSaúde portal, with an explicit mention of the date of update.

Version 1.0 – March 22, 2024

If you haven't found help here, please send us your question through thi

Figure 23 - Publication Page

On this page, you can:

- Check the original source of the publication by clicking on the banner (1);
- Check the original source of the publication on the "Learn more here" button (2);
- Switch between different publications by clicking on or (3);
- Open other publications by clicking on "**Read more**" (4);
- Share an idea with us by clicking on "Share my idea" (5).

Note: For the idea submission form, refer to point "4.1.".

![](_page_25_Picture_1.jpeg)

### 3.6.3. Navigate Between Pages

With these buttons, you can move forward or backward between pages. To do this, click the left mouse button on one of the available page numbers or arrows, as described below:

![](_page_25_Figure_4.jpeg)

#### 3.6.4. Share My Idea

**Share my idea** – Here, you have the opportunity to share your idea with us. To do so, click on "Share my idea" with the left mouse button to be directed to the respective form. For more details about the idea submission form, see point "**4.1.**".

![](_page_26_Picture_1.jpeg)

# 4. Form Submission

The **InovarSaúde Portal** serves as a unified channel for submitting data requests or sharing ideas with a focus on digital health services. We believe that *data generates ideas* and *ideas generate data*, and these two themes are interconnected with the portal's purpose.

The sharing of ideas, also referred to as a spontaneous application, is our primary method of gathering information about digital health initiatives. We are constantly seeking innovative ideas to enhance health services digitally.

The data request section allows users to request health-related data. Through the **data request form**, users can submit their requests, which will be reviewed and approved or denied.

By uniting efforts and sharing knowledge, we aim to drive significant advancements in health and achieve better outcomes for everyone. We are committed to facilitating this process by providing a secure and reliable environment for data exchange.

**Note 1:** Before submitting your data request, it is recommended to explore the **SNS Transparency Portal** (<u>https://transparencia.sns.gov.pt/explore/?sort=modified</u>). This portal provides a catalog of open-access datasets, including detailed descriptions of each dataset available in the "Information" menu. Through this portal, you can, explore existing public information, filter variables, export data in various formats. Additionally, it is advised to consult the **SNS BI-CSP Portal** (<u>https://bicsp.minsaude.pt/pt/Paginas/default.aspx</u>) for data related to **Primary Healthcare Services**.

These resources may already contain the information you require, eliminating the need to submit a formal data request.

**Note 2:** The forms do not provide the option to save progress for later completion. If they are not fully filled out and submitted, all entered data will be lost, and you will need to start over. It is recommended to gather all necessary information before beginning to fill out the form.

**Note 3:** In the forms, you can upload documents in PDF, PNG, and JPEG formats, with a maximum file size of 5MB per file.

![](_page_27_Picture_1.jpeg)

# 4.1. Ideas Sharing

To submit an idea for review, you must complete the corresponding form, which is available on various pages of the portal. You can also access it here: <u>https://www.inovarsaude.min-saude.pt/formulario-partilha-de-ideias/</u>. This link directs you to the idea submission form, which consists of 5 steps.

#### 4.1.1. Introdution

In this step, you will find an explanatory text and supporting documentation. We recommend carefully reading all the information provided. Additionally, we suggest downloading the **Checklist file (1)** to your device, which will guide you through completing the idea submission form. Once you have understood the information, click the **"Next" button (2)** to proceed to the following steps of the form.

![](_page_27_Figure_6.jpeg)

Figure 25 - Introduction - Idea Sharing Form (Step 1)

### 4.1.2. Responsible for the Idea

In this step, you provide the details of the person responsible for the idea. If you need to return to the previous step of the form, click the **"Previous" button** (1) with the left mouse button. Once the information is filled in, click the **"Next" button** (2) to proceed to the subsequent steps of the form.

# 4.2. Data Request

To submit a data request for analysis, you must complete the corresponding form, which is available on the **Data Request Page** via the link <u>https://www.inovarsaude.min-saude.pt/formulario-pedido-de-dados/</u>. This link directs you to the data request form, which consists of **7 steps**.

### 4.2.1. Introduction

At this stage, you will find explanatory text and supporting documentation. We recommend carefully reading all the information provided and suggest downloading the **Supplementary Information** file (1) to your device. This file will guide you throughout the data entry process in the form. Once you have understood the information, click on the **"Next"** button (4) to proceed to the following steps of the form.

**Note:** Before submitting a data request form, it is recommended to consult the information available on the **SNS Transparency Portal** (2) at

https://transparencia.sns.gov.pt/explore/?sort=modified. This portal allows you to explore existing public information, filter variables, and export them in various formats. Additionally, it is advisable to review the **SNS BI-CSP Portal** (3) at <u>https://bicsp.minsaude.pt/pt/Paginas/default.aspx</u>, which contains data related to Primary Health Care. This will help you assess whether the existing information meets your data needs without the need to submit a request.

### 4.2.5. Proposed Project Details

In this step, you provide detailed information about the project for which the data request is being submitted. If needed, you can download the **Additional Information** file (1) again to your device, which will guide you during the completion of the form. If you need to return to the previous step of the form, click the "Previous" button (2) using the left mouse button. Once the information is filled in, click the "Next" button (3) to proceed to the following steps of the form.

**Note:** It is essential that the information provided complies with the guidelines outlined in the **Additional Information** document, as per section **"4.1.2**," and the **Required Documentation**, as per section **"3.5.4.**".

#### 4.2.6. Attachments

1 ৰ

In this step, you upload the necessary attachments to submit your data request. You can upload only one file per attachment field. To do this, click on the desired area using the left mouse button, or drag the file into the respective field. The upload is complete when the name of the uploaded file appears in the corresponding field. If you need to return to the previous step of the form, click the "Previous" button (1) using the left mouse button. Once the information is filled in, click the "Next" button (2) to proceed to the following steps of the form.

**Note:** It is essential that the information provided complies with the guidelines outlined in the **Additional Information** document, as per section "4.1.2," and the **Required Documentation**, as per section "**3.5.4.**".
